

**OHJAC Committee Meeting  
Sue Whites House  
Wednesday 21st November 2007  
7.30pm**

**Minutes**

**1. Apologies for absence.** Maureen White

**2. Minutes of the last meeting.** Had been sent to all committee members and were on the website

**3. Matters arising from the minutes.** The WOD course has been cancelled due to lack of interest but the session on the memory map and the navigation walk on Woodbury Common might be of interest to members.

**4. a) Chairman's report.** All the planned events had taken place except the WOD course due to lack of interest. We had distributed posters and flyers in a number of locations and some flyers were taken by members of the public. The other events had taken place. We had invited past members on the short Haldon Hill walk and picnic and although a few were interested only two turned up on the day. However it was enjoyed by all those came along.

**b) Secretary's report.** One email about the increase in BMC rates had been forwarded to all committee members. VS Challenge postcards had been received for all members about a rock climbing charity event in South Wales.

**c) Treasurer's report.** We had a healthy balance of £228.05.

**d) Event secretary's report.** Pete had received one enquiry about the course but only Peter Fletcher turned up for the first session. The Wilsons and the Fletchers took part in the half-day navigation session on Woodbury Common and thought other members might be interested in doing it in the future. The WOD walk on Dartmoor has been cancelled. Other past events had taken place; the MacMillan Way and the Haldon walk and picnic. Keep an eye on the website for the Advent calendar!

**5. Future events:** **Thursday 27 December 2007, Mince Pie walk,** The Fletchers will lead a local walk, details to be confirmed.  
**Early Feb 9/10** possibly, part of Monastic Way from Vennford Reservoir, Chris to lead. tbc  
**Sat/Sun 7/8 March** weekend trip, possibly from Weymouth to Abbotsbury and back, staying in the pub in Abbotsbury overnight.

**6. Future social events:** **Sunday 13 January 2008, Christmas Social,** The Potters will be hosts to this event in 2008. Members to contact Liz Potter about food and drink contributions etc

**7. AOB.** Even though the BMC has increased their membership rates it was decided to keep the club subs at £10. We have £228 in the bank and very little overheads. The website only costs £3 a year. Pete may plan another Domino Walk, possibly on Woodbury Common or around Salcombe Hill. The teachers from Sidmouth College were willing to talk about their recent climb of Mont Blanc at the next AGM. We would invite past members to attend the talk and offer them a year's membership of OHJAC at £10 a head. If they did not wish to rejoin we would ask them for a donation for the evening to cover refreshments. Peter Fletcher would book the Methodist Hall in BS again for the AGM.

**8. Date of next meeting.** 6.30 pm Wednesday 5th March 2008
