4. Reports

Chairman There have been about 14 successful events since the AGM with 21 out of the 31 members taking part. These were very varied and included 2 social events, one indoors in the winter and one outdoors in the summer. We now had YHA membership. Earlier starts, as standard, had been suggested to make the most of daylight hours, especially in the winter. Members would need to check the website for start times. All committee members were willing to stand again.

David Potter had suggested, as proof of membership of the BMC & YHA, that all members have membership card to show in shops such as Millets, Blacks, Taunton Leisure and Moorland Rambler to obtain discount on goods. Pete had phoned the BMC to ask for membership cards for all members which was refused. The committee had decided to produce the cards which would be given out to members on a walk or posted on receipt of a SAE. Details would be put on website when available.

The 'Walking on Dartmoor' course was no longer being run by Adult Education and the present course had been advertised on our website and was being run by ourselves. Pete had kindly offered his services voluntarily and we were paying for room use at the college. The course was free to members or £25 to non-members which included membership of OHJAC. We would also need to advertise the course in future, which would be run once a year and would help bring in new members. It had previously been a requirement for members to have attended the course. Pete may ask for helpers to take part / help with equipment, etc. We could advertise at the library, the Adult Ed office, the website and we were on the EDDC sports directory. We thanked Pete for running it on a voluntary basis.

Secretary All emails and post had been forwarded to committee members. The most recent were about the Angus Glen Walking Festival and the Outdoor Show at the NEC 17th-19th March.

Treasurer Copies of the accounts were distributed. There is a very healthy balance of £405.71. The £10 subs went to the BMC so 3 new members at £25 had helped boost our funds, which helped cushion us with the small added cost implication of room hire for us to run the Walking on Dartmoor course. The course was free to members or £25 to non-members which included membership of OHJAC. We would also need to advertise the course which might incur costs. There are 4 lady members, calling themselves the 'Over the Hillers' walking the Moonwalk in May. This is a marathon walk in London in aid of Breast Cancer and it was proposed that the club sponsor them to the amount of £40 as each walker needs to raise £100.

Events Secretary The website has had 810 hits since last Easter. We are very grateful to Stuart Wilson for designing the new site, which does not have any costs to us. There have been a few problems recently with the site due to the host. There is a new members login so we are able to add and amend pages on the website. More details to follow. The walks have been planned until Ten Tors on May 13 but there has been a problem finding a hostel in the Lake District with beds for the Mayday weekend. He would now look into the Spring Bank holiday weekend instead but not so far away, possibly the Cotswolds or the Wessex Way. Chris had suggested that his Lych Way walk on Sunday 5th March should be postponed due to the weather conditions. It was a long walk 6/7K with no easy exit points. Instead he proposed starting at Prewley Moor and walking a loop dependent on the conditions to start 9.30 in Exmouth or 10.15 at Prewley. Peter and Rosemary Fletcher would research the entire Dart Valley walk from Dartmouth to Totnes returning by boat for later in the year. Paul Champion had details of a charity walk at Bicton for the Rotary club in May. Other charity events would also be advertised on the website.
